THE SHOW

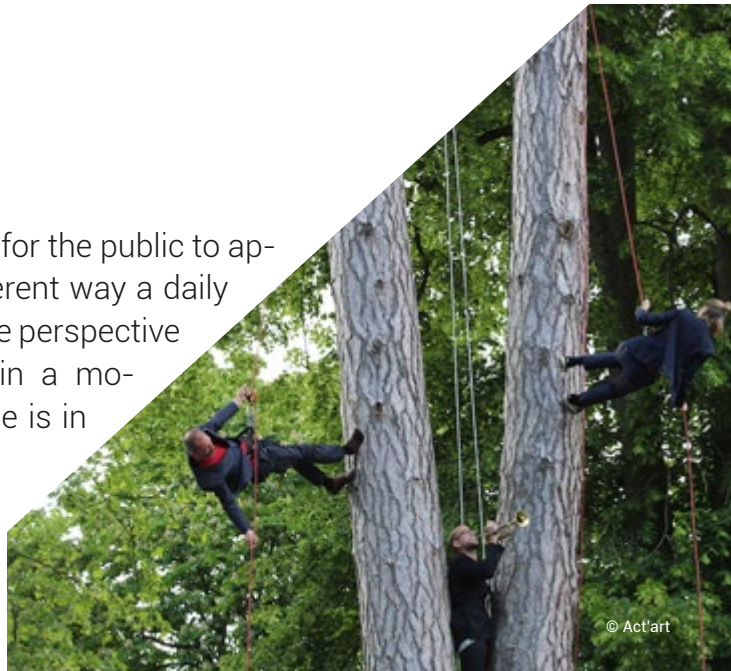

[Impromptus] are directly inspired by the choregraphic and musical repertoire of «Ba[ll]ade d'un Stégophile» (2015) and «Les Olympiades Verticales» (2017), other creation of the compagny. His arrangement can rather be light and it's adapting to all places of performance.

[Impromptu] is a way to flood the public space, differently, and to reappropriate it with a poetic way.

This is an unique forms of show, because it is created and reinvented according to places of performance and the context. This show can be short, 10 to 25 minuts, 3 to 5 time by day, or long, until 1 hour. The artistic and technical team, plus the price of the show progress according to his form.
